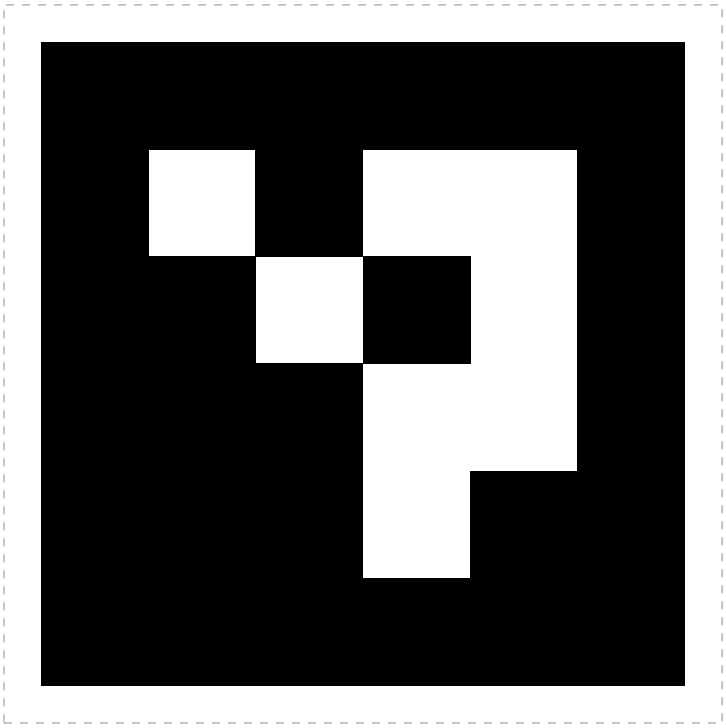
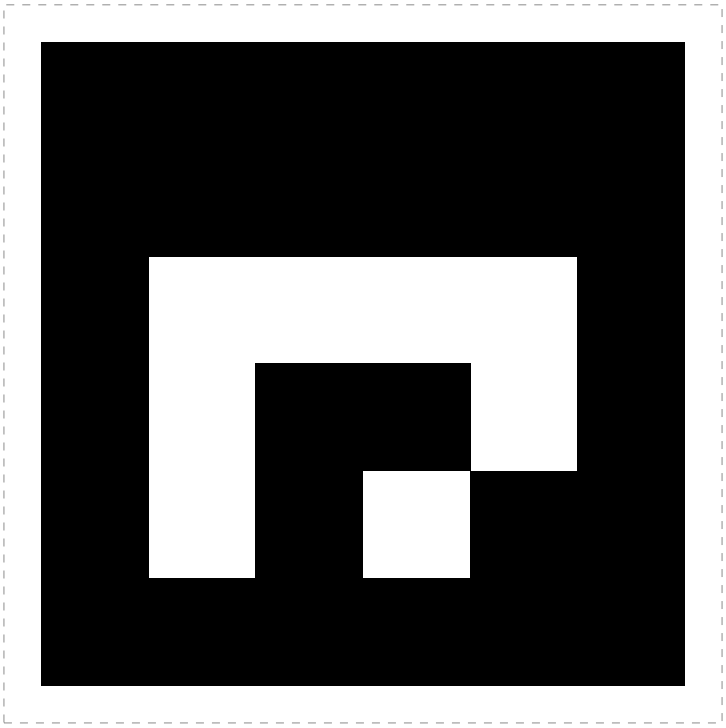
Black or Yellow corner markers, 9.5 x 9.5 cm each (page 1/2). Short bond, 100% / Actual size.

Ruler must measure 10 cm. Cut on the dashed line (keep the white border). Glue flat, tucked into the board corner.

10 cm



Marker 0: place in the top-left (outer) corner of CELL 1 (BLACK)



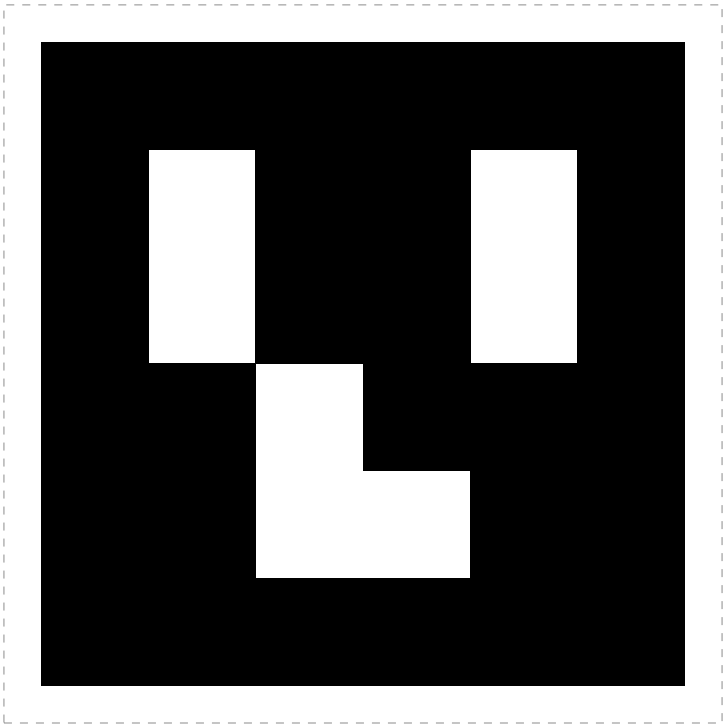
Marker 1: place in the top-right (outer) corner of CELL 4 (YELLOW)

The rest of each cell stays visible. A ball on a marker counts as that cell's colour.

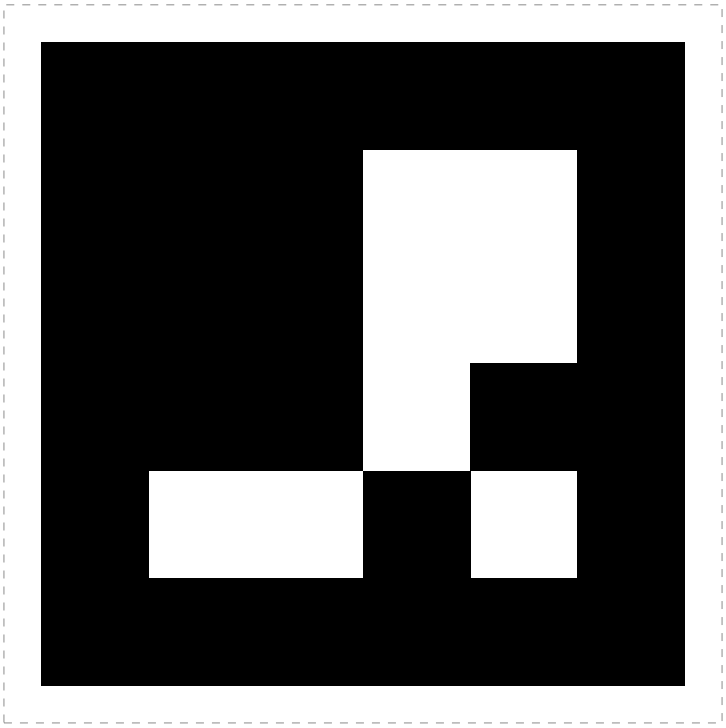
Black or Yellow corner markers, 9.5 x 9.5 cm each (page 2/2). Short bond, 100% / Actual size.

Ruler must measure 10 cm. Cut on the dashed line (keep the white border). Glue flat, tucked into the board corner.

10 cm



Marker 3: place in the bottom-left (outer) corner of CELL 13 (YELLOW)



Marker 2: place in the bottom-right (outer) corner of CELL 16 (BLACK)

The rest of each cell stays visible. A ball on a marker counts as that cell's colour.
